

30 July 2021

COLPAI Project – London Borough of Islington S278 highways works to commence on Monday 2 August 2021

Dear Neighbour

We are writing to notify you of upcoming works at the COLPAI Project.

On Monday 2 August 2021, London Borough of Islington (LBI) will begin S278 highways works on Baltic Street West. The works will be undertaken by a contractor appointed by LBI and will not be under the control of ISG. We understand the works are due to take place for approximately three weeks.

Due to the nature of the works being undertaken, such as cutting the paving, we have been informed that there is potential for the works to be noisy at times.

For information, please find enclosed a detailed plan illustrating the S278 highways works.

If you have any questions regarding the COLPAI Project, please do not hesitate to contact us on the details below.

Best wishes

COLPAI Project Team
