

COLPAI Project Bi-Weekly Update – Weeks Commencing Monday 29 April & Monday 6 May 2024

Dear Neighbour,

Final approval, allowing residents to move into the residential building, is delayed as the project team needs to undertake extra work to an area of brickwork on the western side, located behind the balconies.

The team is currently discussing when and how to undertake this work and whether new residents can move in before or during the planned work.

The project's contractor, ISG, is not currently on site but a security presence will be maintained during normal working hours, Monday to Friday, from 8am to 6pm. Out-of-hours CCTV will remain active and monitored.

General Information

ISG On-Site Security

- Security guard on-site full time 8am – 6pm
- CCTV security cameras are now monitoring the site 24 hours a day, 7 days a week.

The City of London Corporation also has CCTV monitoring of the site in place.
