Landscape Works Update

This month, there may be some additional noise generated by ISG as they carry out paving works on Golden Lane, involving the cutting of stone. Fortunately, we do not anticipate significant dust disturbances.

From 4 September until October 2023, a contractor acting on behalf of Islington Council will be undertaking highway works – this includes installation of new kerbs and temporary pavement surfacing outside the new school entrance and on the adjacent footpath to Basterfield Service Road.

Please note the contractor will be working on Basterfield Service Road, installing the new permanent kerb line from 18 – 29 September 2023.

Islington Council's contractor is Marlborough Highways. Should you need to contact them for out-of-hours emergencies, please call Supervisor Billy Boyle at 07719 055669.
