

29 June 2021

**COLPAI Project – Scheduled works on Basterfield Service Road**

Dear Neighbour

We are writing to notify you of works, which are due to be undertaken on Basterfield Service Road.

**The works will be taking place from Tuesday 29 June 2021 for a period of four days.**

The planter dig out works will be undertaken by a contractor and will include the opening of a section of hoarding on Basterfield Service Road, to gain access to the back of the hall. While the works are taking place, a line of crowd barriers will also be placed out each morning and removed each evening, to allow the manual operation of a wheelbarrow to move topsoil. A full-time banksman will be in place to manage the area and keep it secure.

More detail is available on the enclosed plan.

If you have any questions regarding the COLPAI Project scheduled works, please do not hesitate to contact us on the details below.

Best wishes

COLPAI Project Team
