

COLPAI Project Newsletter

Monthly Newsletter

www.colpai-project.co.uk

Dear Neighbour

We are writing to give you an update on the works taking place on-site, which is primarily piling works. The site team has also undertaken works over the past month to remove further obstructions in the ground.

COMPLETED WORKS

This month, the site-team has:

- Conducted CFA piling in the school area
- Removed all ground obstructions from the south section of the new residential area footprint, towards Golden Lane.

UPCOMING WORKS

Next months works will include:

- Removal of obstructions in the north residential area
- Construction of the residential guide wall and CFS piling in the new residential area.

Obstructions found in the ground

PILING WORKS

Piling works have begun in the new school area. The site team has also begun pile probing in the new residential area.

In November, piling works will begin for the new residential area.

Below is a timeline for piling works on-site.

PROGRAMME FOR WINDOW UPDATE

As discussed at the October Public Meeting, the City of London Corporation has been exploring updating the windows across the Golden Lane Estate.

The tender assessments for the window update programme have now been completed. The City of London Corporation are now finalising arrangements for the programme and expect to be sending out notices to residents in November. Following this, City Corporation will be looking to appoint the design team.

If you have any questions regarding the window update, please do get in touch with the Golden Lane Estate Office.
